

ICA - Analogue In Cell Strain Gauge Amplifier Overview

Jan 2015

Small Footprint & Versatile Range

- Miniature format for in-cell installations
- 5V excitation (except ICA5)
- 2, 3 & 4 wire
- DC-1kHz bandwidth
- 4-20mA, 0.1-10.1V, 0.1-5.1V, $\pm 10V$ outputs
- User selectable span resistor
- ICA6 enables $\pm 10V$ output swing from unipolar 15-25V DC power supply
- ATEX OEM version available (ICA5ATEX)

Thank you for your attention
